Roaster Usage

We encourage customers to bring us their own roasters, but if you don't have access to roasters, we can supply the use of ours for a \$2 fee. A \$10 deposit per roaster and a signed agreement is required. It is the customers' responsibility to clean and return the roasters back to Dave's the next day after use and we will refund \$8. For your convenience we can also put the food in heavy duty foil pans that can be thrown away after use.

Suggested Serving Sizes

MEATS-
For Chicken figure 1.5 pieces per person depending on other food being served and adults vs. children. For the Pork BBQ we recommend 4 oz. per sandwich if regular size buns are being used.
HOT VEGETABLES AND SALADS-
Our recommended serving size is 4 to 5 people per pound, depending on number of sides and other food being served.

We will be there on time! You can count on us!
We can deliver up to 40 miles from Fairbury. We charge 75¢ per mile so if the town is 20 miles away, (total mileage = 40) the charge would be \$30. There is a minimum charge of \$10 outside of town.
